

# DO IT FOR DECLAN

## SOCCKER FESTIVAL

*A few weeks ago, our friend, and teammate Declan was diagnosed with a brain tumour. He has since had surgery and started chemotherapy. With this fundraiser we hope to take some of the financial burden away so his parents, Mark & Laura can focus solely on him.*

*Everyone who knows Declan, knows he lives, eats and breathes sports. He is part of the Dartmouth Whalers, UDFC and Dartmouth Bandits families and has many close friendships on the ice, field and floor. His absence has been felt by all. There is no better way to show your love and support than coming out and playing one of Declan's favourite sports!*

*All skill levels welcome from brand new to the next Messi!*
